We are uncovering better ways of developing software
by doing it and helping others do it.
Through this work we have come to value:

AGILE MANIFESTO	*over*	AGILE MANIFESTO
AGILE MANIFESTO	*over*	AGILE MANIFESTO
AGILE MANIFESTO	*over*	AGILE MANIFESTO
AGILE MANIFESTO	*over*	AGILE MANIFESTO

That is, while there is value in the items on
the right, we value the items on the left more.
